ALMA MATER

(Original Version)

Thy torch of light so brightly shines,
Upon us day by day,
We pledge to thee our love divine,
Our sincere songs of praise.

Long may your lofty ideals stand,
Long may your name endure,
Firm in the hollow of God's hand,
Be steadfast and secure.

Deep as the sea our love shall be
Our Alma Mater true,
With loyal hearts our prayers for thee,
Shall always be for you.

(CHORUS)

Dun-bar High, Dun-bar High
Deeply engraven in our hearts,
Dun-bar High, Dun-bar High,
Gladly we pledge our part.
Dun-bar High, Dun-bar High,
Our songs of praise we raise to thee,
Ever faithful, and true we'll be,
We, thy children do pledge to thee.
